THE SEVEN DEADLY SINS

Chapter 243 / And Then He Leaves on a Trip

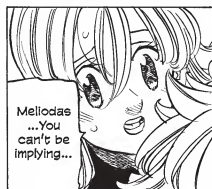

As of
today,
"The
Seven
Deadly
Sins"
are no
more
?!

Captain...
Do you
hear
what
you're
saying
?!

CAP'N...
SAY
SOME-
THING!

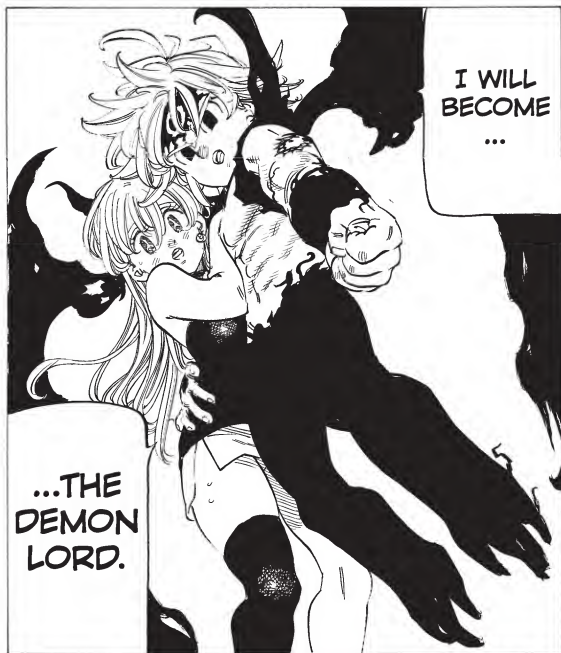

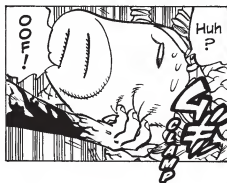

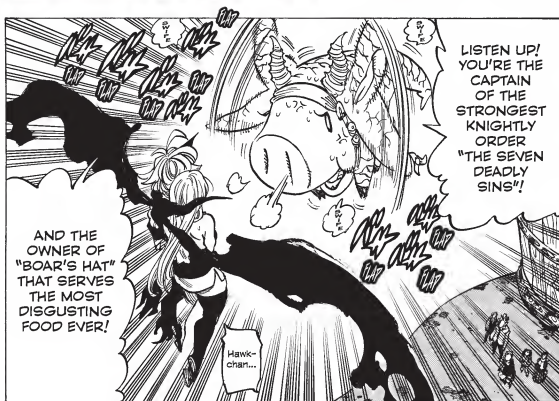

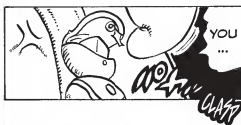

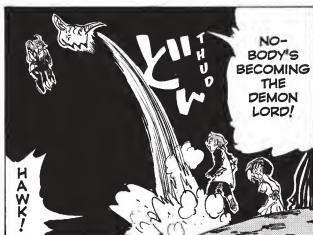

Meliodas
...You
can't be
implying...

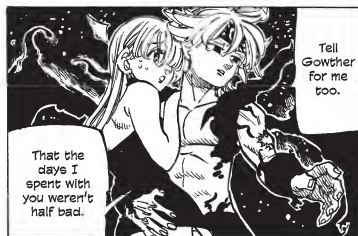

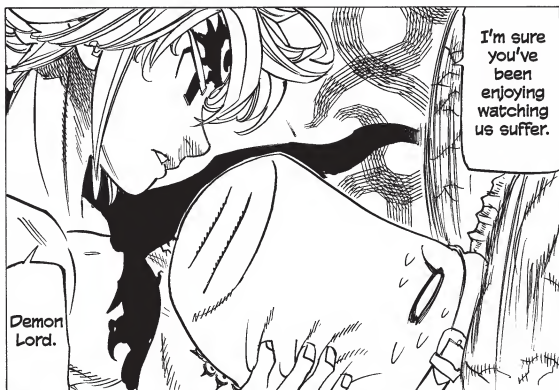

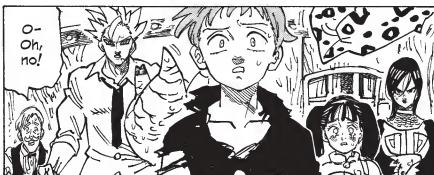

And
what's
this
surefire
way
that
will save
Eliza-
beth
?

Y...you
can't
mean it.

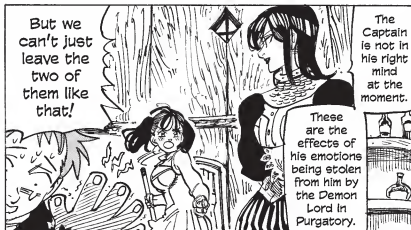

WHAT'S
THE
CAPTAIN
THINKING
?!

But we
can't just
leave the
two of
them like
that!

The
Captain
is not in
his right
mind
at the
moment.

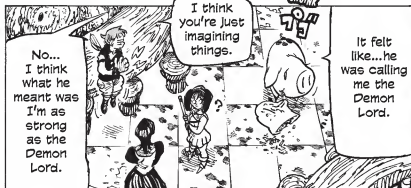

These
are the
effects of
his emotions
being stolen
from him by
the Demon
Lord in
Purgatory.

No...
I think
what he
meant was
I'm as
strong as
the Demon
Lord.

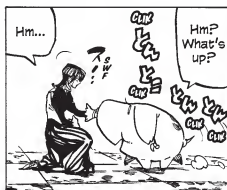

I think
you're just
imagining
things.

SHOINK
TO!

It felt
like...he
was calling
me the
Demon
Lord.

Hm...

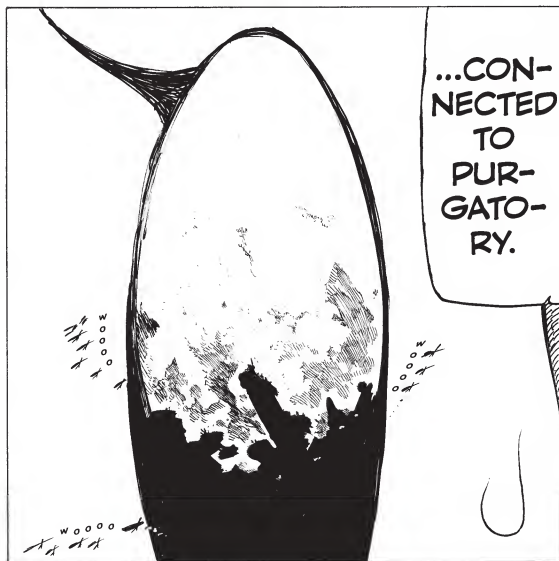

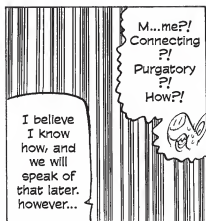

Hm? What's
up?

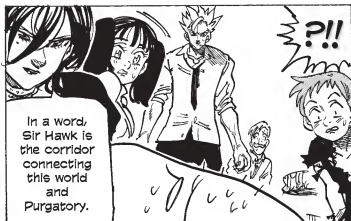

Sir
Hawk,
do you
have a
second
?

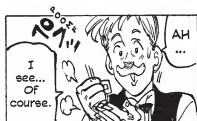

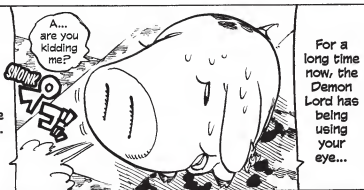

M...me?!
Connecting
?!
Purgatory
?!
How?!

...to keep watch over the Captain.

SORRY,
BUT
THAT'S
NOT
POSSIBLE.

...I only
know of one
person who
was able to
go and come
back from
Purgatory.

With the
exception of
the Captain
who's had
the curse
put on
him...

W...
why
not?

After much
research, he
discovered
the door to
Purgatory
and stepped
through it.
But only for
one minute.

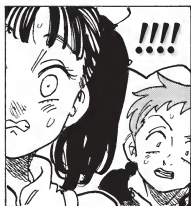

My father
lead a city
which was
the seat
of wisdom
and
learning.

B-But...
you're
saying such
a person
did exist,
right?

One
per-
son
...

"Together,
they
destroy
the flesh
and bone
of any
living
thing."

"...the air is
a mix of both
burning hot
and freezing
cold while
the earth
is highly
poisonous."

"It eats
away
at the
souls of
mortals."

"Time is so
distorted
that a single
minute lasts
for a year."

"In this land
of chaos,
the dead and
monstrous
with their
broken souls
hunt you
down."

"You lose all
senses and
can only rely
on your sixth
sense."

The Captain's emotions could be anywhere in that living Hell so how are we supposed to find it?

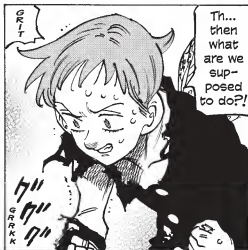

THAT'S JUST TOO BRUTAL OF A FOE TO BATTLE. GIVE IT UP!

NOT TO MENTION THAT THE ONE IN POSSESSION OF THOSE EMOTIONS IS THE DEMON LORD HIMSELF!

GRIIT

Th... then what are we supposed to do?!

But ...

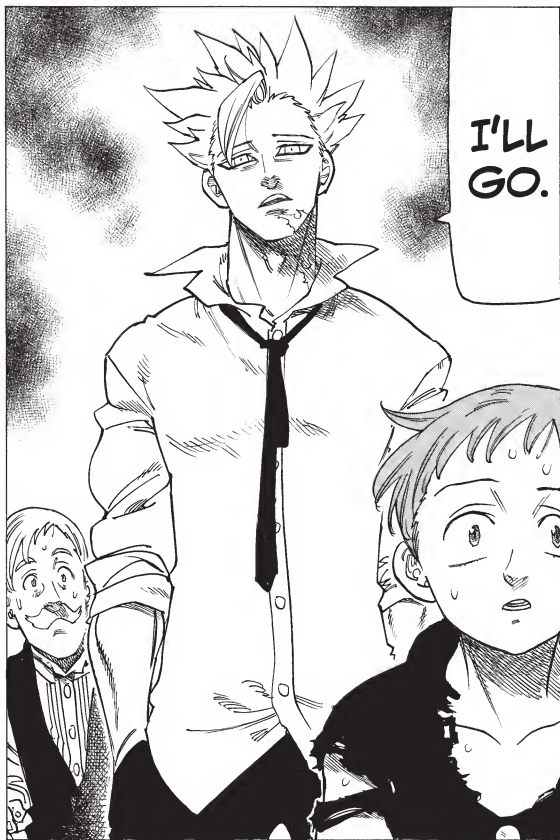

...we can't just give up.

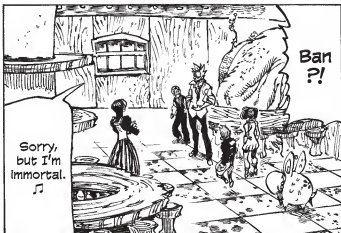

But...

But...

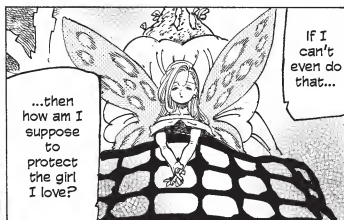

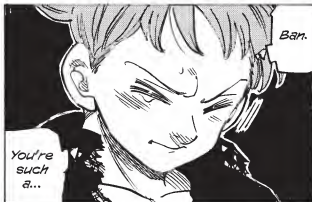

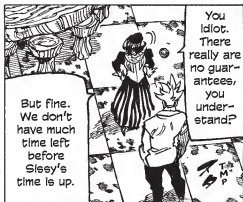

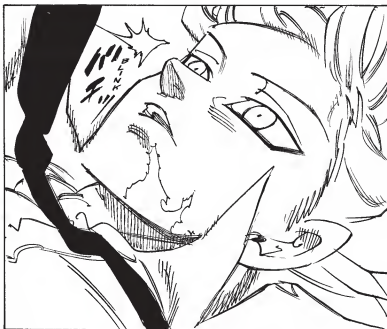

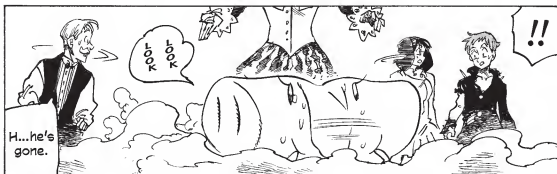

Even if you were to go, there's no guarantee that you'd find the Captain's emotions, be able to get them back, or even be able to return!

RUMBLE

RUMBLE

So this is Purgatory.

I'm falling ?!

FLAP

FLAP

FLAP

FLAP

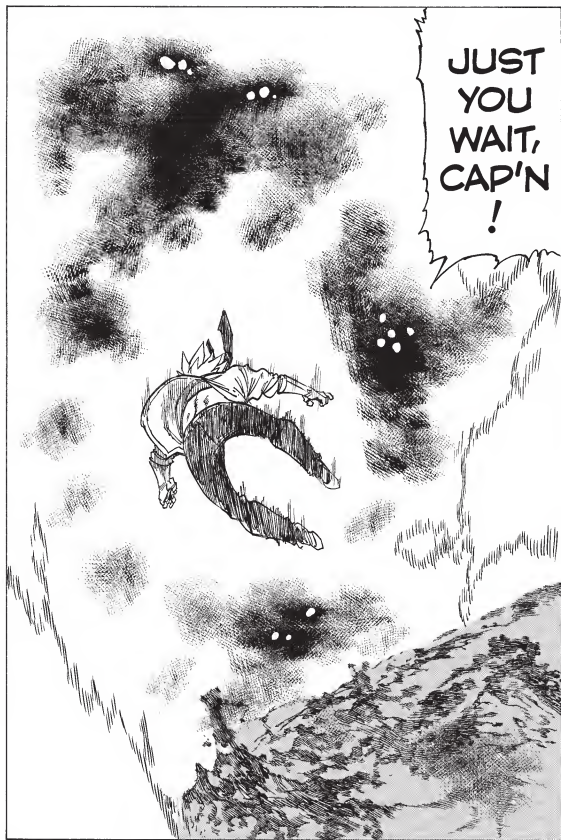

I don't feel the ground underneath me.

Am I floating ?

No ...
